PROFILE (abstract CV) Signature Sites. Reputation today on the web is vital. Absolute timeless advice, there is power & simplicity in courtesy. Honour your email&facebook contacts (& other social media) by providing your "signature" -- a live link to your web page. Detailed CV with references available on request. Knowledge

OBJECTIVE Case Maps. You've heard of Roadmaps. You've heard of Site Maps. Have you heard of Case Maps? A plethora of court transcripts, expert reports and reviews fill large binders. Curator web design interacts with litigants to turn those "heavy" (print) documents into "light" (digital) files. One document contains simple searchable "live" links for easy to open view and print options for evidence and transcripts. Case Maps are transportable -- fit onto one "light" cd-computer disc.
