## Special dress

(Sunday, July 12, 2009)

THE dress worn by host Bernadette Rounds-Ganilau was created by German designer Iris Freynhagen, the Costumes Designer in Domo ni Karmen.

Titled the Pacifika Botticelli dress, it took three weeks to make and is a combination of opera chic and Pacific style.

It has a shell-shaped high collar with a handmade long necklace by Marita Brodie and Liebling Marlow.

The necklace has a variety of shells, mother of pearl, shapes of sea horses, pearls and a large shell as its centerpiece. Ms Freynhagen is German and has worked as a professional designer for 14 years in various countries including Germany, Belarus, Lithuania and Sudan.
